

## 42ND INTERNATIONAL CONFERENCE ON MATHEMATICAL METHODS IN ECONOMICS (MME 2024)

Jan Evangelista Purkyně University,  
Ústí nad Labem, Czech Republic

**September 11-13, 2024**

## CALL FOR PAPERS

The 42nd International Conference on Mathematical Methods in Economics (MME 2024) will take place from September 11 to 13, 2024, at the Faculty of Science, Jan Evangelista Purkyně University, Ústí nad Labem, Czech Republic.

The MME conference is a traditional meeting of professionals from universities and businesses interested in the theory and applications of operations research and econometrics.

## PUBLICATIONS

All accepted abstracts will be published in the Book of Abstracts after paying the conference fee.

Full papers will be published in the Conference Proceedings upon successful peer-review procedure and after the conference fee is paid. The Conference Proceedings will be sent to be indexed in the Web of Science CPCI database (the conference proceedings from previous years are already indexed there).

After the conference, we will invite authors of the selected papers from MME 2024 to submit high-quality and full-paper versions of their presentations for a Special Issue in the Central European Journal of Operations Research-Springer.

## TOPIC OF INTEREST

Submission topics for both long and short papers may include, but are not limited to:

- Operations research
- Econometrics
- Multiple criteria decision-making, decision support systems
- Quantitative management methods
- Interval systems
- Simulation
- Mathematical modelling
- Process optimization
- Financial modelling
